

Immaculate Conception Association of Religious Education (I.C.A.R.E.) Volunteer Form

In order to provide a safe environment for the children in our Religious Education Program, as well as support the ongoing faith formation for parish families, each family will be scheduled to provide hall monitor coverage 2 -3 times per year. In addition, ICARE offers the following service opportunities for parents and guardians. Please check where you would like to be involved:

___ **Classroom Catechist:** A catechist is a person who shares his/her faith by "echoing" the teachings of the Catholic Church to others. If you enjoy interacting with children and/or youth and are a confirmed Catholic, you will be contacted to discuss the possibility of joining our volunteer catechetical staff.

___ **Weekly Classroom Assistant:** A classroom assistant helps the catechist in whatever way needed. This is an excellent way to serve the parish while getting a bird's eye view of the program.

___ **Substitute Catechist:** A substitute catechists teaches when the regular catechist cannot. This is a wonderful service to the program. Please indicate which grades you would be willing to cover: _____.

___ **Dedicated Hall Monitor:** if you can go above and beyond the regularly scheduled family hall monitor duties and be involved on a regular basis in keeping eyes and ears open in the hallways during class time, we would love to have you. Protecting God's Children Training is required and will be provided right here at IC.

___ **Hospitality Coordinator:** If you have strong organizational and communication gifts and can coordinate volunteers to provide hospitality at various catechetical events, your service would be a blessing to the catechetical programs. A list of dates would be provided, as well as email contact information for hospitality volunteers.
